

LIC ADO Previous Year Question Paper - 2019

Directions (1-8): Read the following passage carefully and answer the questions given below it. Certain words have been printed in bold to help you locate them, while answering some of the questions.

India has been dragged into a trade war **unleashed** by US President Donald Trump, who imposed a 25 per cent tariff on steel imports and 10 per cent on aluminium. India, after taking a hit of around \$241 million on its exports of these items, will raise duties on about 30 US imports, including certain iron and steel goods and even fruits, vegetables, almonds and apples. India has also informed the World Trade Organisation about its move. These moves, however, seem insignificant compared to the total US exports to India, amounting to a massive \$1.3 trillion.

India may lose much more than the US in this trade war as US exports are barely 12 per cent of its GDP. India, on the other hand, is the largest exporter to the US after China. India was earlier on the US radar with Mr. Trump's **grouse** over India's **imposition** of 50 per cent duty (earlier 100 per cent) on Harley Davidson bikes. There were just 84 of these expensive bikes sold in India last year. The US is also reviewing the General System of Preferences that India enjoyed after the US dairy and medical equipment sectors complained over not having easy access to India's markets. They are especially **irked** by price controls on items like stents.

The larger question, of course, is the risk world trade has been exposed to. WTO itself has become nearly **irrelevant** as most nations have shown a preference for bilateral trade agreements. These are faster and less complicated. What is interesting is that the US has always had a grouse over India being categorised as a less developed country. In Mr. Trump's view, India is no longer an LDC as its per capita income is over \$1,000 a month. He says India should therefore end the subsidies it gives its exports, particularly in agriculture and the electronics hardware technology parks scheme. The US is significantly against India's assistance to the farm sector as the US farm lobby is very strong and wants India to open its markets to US farm exports. The US even held up the WTO's Doha Round on the issue of agricultural subsidies, like the minimum support price for wheat and rice, which it says is well over 60 to 70 per cent of the limits set by the WTO agriculture agreement.

World trade contributes to world peace and countries trading with each other are unlikely to go to war with each other. More important, it helps economies which depend totally on exports and imports. There are countries with an abundance of resources and need to monetise them. This can be achieved only through trade. The export-import sector also provides jobs and other benefits. In India, for instance, garment exports of nearly \$2 billion annually from Tirupur is among the biggest employment creators in the region.

Q1. Why India might be in much more loss than US if the trade war prevails?

- (a) The richer India becomes, the less the world will be willing to put up with one-sided trade policies.
- (b) India cannot export directly on its own terms, coddling domestic manufacturers while blocking imports.
- (c) US has always had a grouse over India being categorized as a less developed country.
- (d) India is the largest exporter to the US after China.
- (e) None of these.

Q2. Why the only global trade organization, WTO has become less relevant lately?

- (a) Since most of nations have shown preference for bilateral trade agreements.
- (b) Due to the limits set by WTO agricultural agreement.
- (c) Bilateral trade agreements are much faster and less complicated.
- (d) Only (a) and (c).
- (e) Only (b) and (c).

Q3. Why according to US President India is no longer a less developed country?

- (a) India's a free-market economy and can access global technology and capital to fuel its own innovative startups.
- (b) The export-import sector of India also provides jobs and other benefits.
- (c) As its per capita income is over \$1000 a month.
- (d) It has abundant resources and keeps on monetizing them.
- (e) All of these

Q4.What is the reason behind US's opposition to India's support in agricultural sector?

- (a) MSP for some entities is over 60 to 70 per cent of the limits set by the WTO agriculture agreement.
- (b) Because it wants India to open its markets to US farm exports as US farm lobby is very strong.
- (c) Since it has always had a grouse over India being categorized as LDC
- (d) Both (a) and (b).
- (e) Both (b) and (c).

Q5.How does the world trade contribute to the world peace?

- (a) Without having to do the hard cost cutting and increased competitiveness
- (b) By somehow preserving access to capital and technology from behind high tariff walls
- (c) Economies undergoing the exchange of goods and services with each other are unlikely to go to war.
- (d) By demonetizing of resources which can only be achieved through trade
- (e) None of these

- (a) 44
- (b) 11
- (c) 88
- (d) 704
- (e) 21

Q54. 20, 30, 45, 63, 84, 108, 135

- (a) 45
- (b) 30
- (c) 20
- (d) 84
- (e) 135

Q55. 140, 300, 380, 420, 440, 450, 460

- (a) 460
- (b) 450
- (c) 140
- (d) 300
- (e) 380

Directions (56-60):- Given table shows total books available in four different shops and percentage of sold books. Read the data carefully and answer the questions.

| Shops | Total books available | % Of sold books |
|----------|-----------------------|-----------------|
| A | 1000 | 55% |
| B | 800 | 50% |
| C | 900 | 60% |
| D | 700 | 65% |

Q56. Find the total unsold books of shops B & C together?

- (a) 940
- (b) 645
- (c) 810
- (d) 850
- (e) 760

Q57. Find the ratio of total unsold books no. of A to total sold books of D?

- (a) 91 : 90
- (b) 90 : 91
- (c) 110 : 91
- (d) 90 : 49
- (e) 110 : 49

Q58. Find the average of number of sold books of all four shops?

- (a) 483.25
- (b) 489.25
- (c) 486.25
- (d) 491.25
- (e) 481.25

Q59. Total unsold books of shops A & B together are what percent of total sold books of shops C & D together? (approx.)

- (a) 85%
- (b) 89%
- (c) 81%
- (d) 92%
- (e) 76%

Q60. Which shops has maximum unsold books.

- (a) B
- (b) C
- (c) D
- (d) A
- (e) None of these

Q61. The average age of a group of 45 men is X years. When two men whose average age is 51.5 years left the group, then the average age of the remaining men in the group decreased by one year. Find X.

- (a) 45
- (b) 50
- (c) 30
- (d) 20
- (e) 15

Q62. A shopkeeper marked an article 50% above its cost price. If the ratio of discount allowed to profit earned on the article is 3:2, then find the percentage of allowed discount on the article?

- (a) 15%
- (b) 20%
- (c) 25%
- (d) 10%
- (e) Cannot be determined.

Q63. A man invested Rs. X in a scheme offering 20% p.a. at CI compounding annually for 2 years. If the interest received by man for only second year is Rs.4,800, then find X.

- (a) Rs.20,000
- (b) Rs.15,000
- (c) Rs.25,000
- (d) Rs.30,000
- (e) Rs.10,000

Q64. Shivam and Ayush together can complete a work in 12 days, while Shivam alone can complete the same work in 20 days. In how many days Ayush alone will complete the same work?

- (a) 25 days
- (b) 24 days
- (c) 30 days
- (d) 32 days
- (e) 28 days

Q65. The Sum of ages of X & Y two years hence will be 82 years and age of X six years hence will be 75% of the present age of Y. Find the average of the present age of X & Y.

- (a) 36 years
- (b) 39 years
- (c) 32 years
- (d) 40 years
- (e) 35 years

Direction (66-70): Study the following information carefully and answer the questions given below:

Six persons are sitting in a row Some of them are facing to the north while rest are facing to South. P sits 3rd to the left of B and both does not sit at the extreme ends. The persons who sit at the extreme ends are facing opposite direction. There are two persons sit between X and T. X does not sit near to B. R sits 3rd to the right of Y, who is an immediate neighbor of B. R faces to the north. Y faces opposite direction with respect to R. Both P and T are facing in the same direction as R.

Q66. How many persons are facing to the north?

- (a) Two
- (b) Three
- (c) One
- (d) Four
- (e) Five

Q67. Four of the following five are alike in a certain way and hence they form a group. Which one of the following does not belong to that group?

- (a) P
- (b) T
- (c) Y
- (d) B
- (e) R

Q68. What is the position of X with respect to R?

- (a) 3rd to the left
- (b) 2nd to the right
- (c) immediate to the left
- (d) 2nd to the left
- (e) None of these

Q69. How many persons are sit right side from T?

- (a) Two
- (b) One
- (c) Three
- (d) Four
- (e) None of these

Q70. Who among the following persons are sitting at extreme end?

- (a) P-X
- (b) X-Y
- (c) P-T
- (d) B-X
- (e) R-Y

Direction (71-75): Study the following information carefully and answer the questions given below:

In a certain code language:

“Indian cricket players famous” is coded as “blue white green red”

“Indian players from foreign” is coded as “green pink purple blue”

“Win by Indian cricket” is coded as “yellow violet white blue”

Q74. If “near cricket” is coded as “black white” then what is the possible code for “near around” in the given code language?

- (a) hazel black
- (b) blue white
- (c) red hazel
- (d) pink black
- (e) purple white

Q75. What is the code for “indian win by” in the given code language?

- (a) white red pink
- (b) yellow purple blue
- (c) green red pink
- (d) violet blue yellow
- (e) None of these

Direction (76-80): Study the following information carefully and answer the questions given below:

Eight persons A, B, C, Q, R, S, T and W were born on different months in the same year – January, February, March, June, July, October, November and December but not necessarily in the same order.

A was born in the month which has less than 30 days. C was born in the month which has 30 days. There were three persons born between C and S. No one was born between S and R. The number of persons were born between Q and T is same as W and T. B was born just after W.

Q76. How many persons were born after W?

- (a) Four
- (b) Three
- (c) One
- (d) Five
- (e) More than five

Q77. Who among the following person was born in the month of November?

- (a) Q
- (b) W
- (c) T
- (d) R
- (e) None of these

Q78. The number of persons were born before T is same as the persons born after?

- (a) B
- (b) Q
- (c) C
- (d) R
- (e) None of these

Q79. How many persons were born between B and T?

- (a) None
- (b) One
- (c) Two
- (d) Three
- (e) More than Three

Q80. Which of the following statement is true, as per the given information?

- (a) There were two persons born between B and S
- (b) C was born just before T
- (c) W was born in July
- (d) No one was born after R
- (e) None is true

Q81. How many such numerals are there in the number ‘9821478372’ which will remain at the Same position when arranged in descending order from right to left?

- (a) one
- (b) two
- (c) three
- (d) four
- (e) None of these

Q82. How many pairs of letters are there in the word ‘TABLE’, each of which have as many letters between them in the word as they have between them in the English alphabet?

- (a) one
- (b) two

- (e) None

Direction (83-87): Study the following information carefully and answer the questions given below:

Five boxes i.e., D, E, F, G and H of different colors i.e., Red, Green, Pink, Blue and Black are arranged one above another but not necessarily in same order.

Three boxes are placed between D and the Red colored box. There are as many boxes above E as below F, which is Blue colored. Green colored box is placed just above G and just below H. D is placed above the black colored box.

Q83. Which among the following box is Pink colored?

- (a) D
- (b) E
- (c) G
- (d) H
- (e) None of these

Q84. How many boxes gap are between D and F?

- (a) None
- (b) One
- (c) Two
- (d) Three
- (e) None of these

Q85. Which of the following is the color of box H?

- (a) Green
- (b) Black
- (c) Pink
- (d) Red
- (e) None of these

Q86. Which of the following box is in topmost position?

- (a) Green colored box
- (b) Red colored box
- (c) Pink colored box
- (d) Black colored box
- (e) None of these

Q87. Four of the following five are alike in certain way based from a group, find the one which does not belong to that group?

- (a) D-Blue
- (b) E-Black
- (c) F-Red
- (d) G-Green
- (e) H-Blue

Direction (88-92): In each of the questions below some statements are given followed by two conclusions. You have to take the given statements to be true even if they seem to be at variance with commonly known facts. Read all the conclusions and then decide which of the given conclusions logically follows from the given statements disregarding commonly known facts.

- (a) If only conclusion I follows.
- (b) If only conclusion II follows.
- (c) If either conclusion I or II follows.
- (d) If neither conclusion I nor II follows.
- (e) If both conclusions I and II follow.

Q88. Statements: Some Pin are Pink. Some Game are Pink.

Conclusion I: All game can be Pink.

II: Some Pin are Game

Q89. Statements: Only Car is Cat. Some Car are Dog.

Conclusion I: Some Cat are Dog

II: All Dog can be Car

Q90. Statements: Some Bag are Glass. All Bag are Bat.

Conclusion I: All Glass can be Bat

II: No Glass are Bat

Q91. Statements: All Pen are Puzzle. No Puzzle are Paint.

Conclusion I: Some Pen Can be Paint

II: Some Pen can never be Paint

Q92. Statements: Only Mobile are Book. No Book are Laptop.

Conclusion I: Some Book can be Laptop

II: All Mobile can never be Laptop

Directions (93-95): Study the following information carefully and answer the questions given below:

There are six persons i.e. A, L, M, K, O and P of different heights. No two persons have same heights. Only two persons are shorter than M. A is taller than L. L is not the shortest. K is taller than L but shorter than A. O is just taller than P. O is shorter than K.

Q93. Who among the following is tallest?

- (a) A
- (b) K
- (c) L
- (d) O
- (e) None of these

Q94. Who among the following is the shortest among all?

- (a) K
- (b) P
- (c) M
- (d) O
- (e) None of these

Q95. Who among the following is just taller than K?

- (a) L
- (b) K
- (c) A
- (d) P
- (e) None of these

Directions (96-97): Study the following information carefully and answer the questions given below:

In a family of two generations there are six family members i.e. X, Y, J, K, H and Z. J is the sister in law of X. Y is the husband of X. Z is the son of J. H is the cousin of Z. X does not have any siblings. K is the father of Z.

Q96. How H is related to Y?

- (a) Son
- (b) Daughter
- (c) Son in Law
- (d) Daughter in Law
- (e) Cannot be determined

Q97. How is J related to H?

- (a) Aunt
- (b) Uncle
- (c) Son in Law
- (d) Daughter in Law
- (e) None of these

Q98. If the given words are arranged in the alphabetical order from right to left, which of the following word will be the fifth from the left end?

- (a) Date
- (b) Done
- (c) Book
- (d) Life
- (e) Okay

Q99. If the given words are arranged in the order as they appear in a dictionary from left to right, which of the following will be the second from the right end?

- (a) Date
- (b) Done
- (c) Book
- (d) Life
- (e) Okay

Q100. How many letters are there between the first Letter of first word from left and fourth Letter of the first word from right as they appear in English alphabet?

- (a) Two
- (b) One
- (c) Eight
- (d) Six
- (e) More than three

Solutions

S1. Ans.(d)

Sol. Refer to the second paragraph of the passage, it is given that India may lose much more than the US in this trade war as US exports are barely 12 per cent of its GDP. Furthermore it is the largest exporter to the US after China." India was earlier on the US radar with Mr. Trump's grouse over India's imposition of 50 per cent duty (earlier 100 per cent) on Harley Davidson bikes. There were just 84 of these expensive bikes sold in India last year."

S2. Ans.(d)

Sol. The answer is mentioned in the third paragraph where the author talks about the larger risk the world trade is exposed to." WTO itself has become nearly irrelevant as most nations have shown a preference for bilateral trade agreements. These are faster and less complicated. What is interesting is that the US has always had a grouse over India being categorised as a less developed country."

S3. Ans.(c)

Sol. In the third paragraph of the passage it is elaborated that how and why US President Mr. Donald Trump is against India being categorized as LDC. The main reason being that its per capita income crosses over \$1000 a month. He says India should therefore end the subsidies it gives its exports, particularly in agriculture and the electronics hardware technology parks scheme.

S4. Ans.(e)

Sol. The correct answer is option (e).The third paragraph of the passage illustrates how US is significantly against India's assistance to the farm sector as the US farm lobby is very strong and wants India to open its markets to US farm exports. "These are faster and less complicated. What is interesting is that the US has always had a grouse over India being categorised as a less developed country. In Mr. Trump's view, India is no longer an LDC as its per capita income is over \$1,000 a month. He says India should therefore end the subsidies it gives its exports, particularly in agriculture and the electronics hardware technology parks scheme. The US is significantly against India's assistance to the farm sector as the US farm lobby is very strong and wants India to open its markets to US farm exports."

S5. Ans.(c)

Sol. Refer to the last paragraph of the passage, "World trade contributes to world peace and countries trading with each other are unlikely to go to war with each other. More important, it helps economies which depend totally on exports and imports. Option (d) is wrong, instead it contributes to peace by monetizing resources which can only be achieved through trade. Options (a) and (b) are not mentioned in the passage. Hence option (c) is the right choice.

S6. Ans.(d)

Sol. The right choice is option (d).Unleashed means released. Released means allow or enable to escape from confinement; set free.

Restrained means kept under control.

Constrained means appearing forced or overly controlled.

Shackle- a pair of fetters connected together by a chain, used to fasten a prisoner's wrists or ankles together

Repressed means restrained or oppressed.

S7. Ans.(e)

Sol. The correct choice is option (e).Preference means to fondness.

Preference means to complain about something in a bad-tempered way.

Acclaim means praise enthusiastically and publicly.

Approbation means approval or praise.

Despise means feel contempt or a deep repugnance for.

S8. Ans.(c)

Sol. Option (c) is the correct choice. Imposition means the action or process of imposing something or of being imposed. Enforcement means the act of compelling observance of or compliance with a law, rule, or obligation.

Disburden means relieve (someone or something) of a burden or responsibility.

Offload means unload.

Probity means the quality of having strong moral principles; honesty and decency.

Candour means the quality of being open and honest; frankness.

S9. Ans.(c)

Sol. Option (c) is the correct choice. The passage is based about the philosophy of life. Since in the given line the author is talking that it depends on a person how one defines philosophy that is either by a conscious and a logical inquisitive mind that is described by the word '**rational**' or by a heap of unwarranted conclusions.

Scientific means based on or characterized by the methods and principles of science.

Baseless means without foundation in fact.

S10. Ans.(b)

Sol. Option (b) is the correct choice. This is because we are talking about the disciplined process of thought and a thorough and careful way of logical deliberation. **Thoroughly** is an adverb which means in a thorough manner.

Recklessly means without regard to the danger or the consequences of one's actions; rashly.

Negligently means habitually neglecting duties.

S11. Ans.(e)

Sol. Option (e) is the right option. The author is referring about the two choices we have as an option i.e.

either to define the philosophy of life by our conscious and rational thought process or to lead our subconscious accumulate means gather junk heap of unwarranted conclusions and false generalizations.

Scatter means throw in various random directions.

Disperse means distribute or spread over a wide area.

S12. Ans.(a)

Sol. Option (a) fits appropriately in the blank. This is so because in the above line we are talking about unification of one's subconscious into a kind of mongrel philosophy that is the consolidation .

Integrated means meshed.

Diverge means (of a road, route, or line) separate from another route and go in a different direction.

S13. Ans.(d)

Sol. Option (d) is the correct choice. **Fused** means joined or blended to form a single entity.

Separated means cause to move or be apart.

Disconnected means having had a connection broken.

S14. Ans.(b)

Sol. Option (b) fits appropriately in the given blank. This is so because in the next line the explanation of doctrine is given "which is living with the results of other people's thinking". Hence **belief** means a principle or set of principles laid down by an authority as incontrovertibly true.

Ambiguity means inexactness.

Illusion means a deceptive appearance or impression.

Uncertainty means unreliability.

S15. Ans.(e)

Sol. Option (e) is the right choice. This is so because the author is asking humans to have the courage to follow their heart and intuition to know the philosophy of life. **Intuition** means instinct.

Reassurance means the action of removing someone's doubts or fears.

Supposition means a belief held without proof or certain knowledge; an assumption or hypothesis.

Conception means the forming or devising of a plan or idea.

S16. Ans.(c)

Sol. The error is in part (c) of the sentence. 'made' should be replaced by 'make' because when 'to' is used as an infinitive then it always takes the singular form of verb.

e.g.

"He requested me to did it for him" -incorrect

"He requested me to do it for him" -correct

S17. Ans.(d)

Sol. The error is in the part (d) of the sentence. 'have' should be replaced by 'has' because 'each of', 'either of', always takes the singular verb.

S18. Ans.(e)

Sol. The correct answer choice is part (e) of the sentence, as the sentence is grammatically and contextually correct.

S19. Ans.(b)

Sol. The error is in part (b) of the sentence. 'too much' should be replaced by 'much too' because rule says:

'too much + noun'

'much too + unpleasant adjectives'

Here in the given sentence 'painful' is an adjective.

S20. Ans.(c)

Sol. The error is in part (c) of the sentence. Use of 'with' is superfluous here, because 'carefully' is an adverb of manner which should not be followed by a preposition.

S21. Ans.(b)

Sol. The highlighted word in the first part is incorrectly spelled as "faling". However, the precise spelling of the word in "falling" and it means move from a higher to a lower level, typically rapidly and without control. All the other words have been spelt correctly and are in appropriate grammatical syntax. Hence, option (b) is the most suitable answer choice.

S22. Ans.(c)

Sol. The highlighted word in the third part is incorrectly spelled as "acentuated". However, the precise spelling of the word in "accentuated" and it means make more noticeable or prominent. All the other words have been spelt correctly and are in appropriate grammatical syntax. Hence, option (c) is the most suitable answer choice.

Reprisal means an act of retaliation.

S23. Ans.(b)

Sol. The highlighted word in the second part is incorrectly spelled as "afirmmation". However, the precise spelling of the word in "affirmation" and it means the action or process of affirming something. All the other words have been spelt correctly and are in appropriate grammatical syntax. Hence, option (b) is the most suitable answer choice.

S24. Ans.(e)

Sol. All the highlighted words of the sentence are correctly spelled and adhere to appropriate grammatical syntax. Since, none of the words require any corrections; option (e) becomes the most suitable answer choice.

S25. Ans.(a)

Sol. The highlighted word in the first part is incorrectly spelled as "spured". However, the precise spelling of the word in "spurred" and it means to encourage an activity or development or make it happen faster. All the other words have been spelt correctly and are in appropriate grammatical syntax. Hence, option (a) is the most suitable answer choice.

S26. Ans.(e)

Sol. The proper sequence of sentences to form a meaningful paragraph will be BDECA. Therefore, option (e) is the most suitable answer choice.

S27. Ans.(b)

Sol. The proper sequence of sentences to form a meaningful paragraph will be BECDA. Therefore, option (b) is the most suitable answer choice.

S28. Ans.(e)

Sol. The proper sequence of sentences to form a meaningful paragraph will be BECDA. Therefore, option (e) is the most suitable answer choice.

S29. Ans.(a)

Sol. The proper sequence of sentences to form a meaningful paragraph will be BECDA. Therefore, option (a) is the most suitable answer choice.

S30. Ans.(b)

Sol. The proper sequence of sentences to form a meaningful paragraph will be BECDA. Therefore, option (b) is the most suitable answer choice.

$$39 + 4^3 = 103$$

$$103 + 5^3 = \mathbf{228}$$

$$228 + 6^3 = 444$$

∴ wrong number is 225, which is replaced by 228.

S52. Ans.(a)

Sol. Pattern of series -

$$33 + 2 = \mathbf{35}$$

$$35 + 4 = 39$$

$$39 + 8 = 47$$

$$47 + 16 = 63$$

$$63 + 32 = 95$$

$$95 + 64 = 159$$

∴ wrong number is 34, which is replaced by 35.

Solutions (83-87): From the given statements, three boxes are placed between D and the Red colored box. D is placed above the black colored box. Here, we get two possibilities i.e. Case 1 and Case 2. Green colored box is placed just above G and just below H.

| Case 1 | | Case 2 | |
|--------|--------|--------|--------|
| Box | Color | Box | Color |
| D | | D | |
| H | Black/ | | Black/ |
| | Green | H | Black/ |
| G | Black/ | | Green |
| | Red | G | Red |

From the given statements, there are as many boxes above E as below F, which is Blue colored. Here, Case 1 is ruled out.

So, the final arrangement will be: -

| Box | Color |
|-----|-------|
| D | Pink |
| F | Blue |
| H | Black |
| E | Green |
| G | Red |
